

Homestead / Disability Exemption For Homeowners

Homestead Exemption: Homeowner must be 65 years of age or older to qualify and they must own and occupy the home.

Disability Exemption: Kentucky's Constitution allows property owners who are 100% disabled to receive the Disability Exemption. If you are approved to receive the Disability Exemption, the exemption amount is subtracted from your property's assessed value, reducing your property tax liability.

Military Disability Exemption: Applicant has 70% disability, has an "Individual Unemployability" form, and own / occupy the residence.

Only one exemption (Homestead or Disability) is allowed per household. You can receive the Disability Exemption on residential or commercial property as long as you own and occupy the property. Disability Exemption recipients may be required to apply annually
