### Discussion Regarding Alcohol Sales In Oldham County and How It Pertains to Pewee Valley

Mayor Rogers stated the election for alcohol sales in Oldham County passed. Out of the 47,862 registered Oldham County voters, about 12% voted. In the Pewee Valley precinct, 142 voted in favor and 89 against.

He has already received an inquiry about selling alcohol in the City. City Attorney, John Singler is looking into what can be done. The property in question is already zoned allowing for liquor sales.

The County will appoint a board to grant liquor licenses and locations. Control for Alcohol Beverage Control (ABC) regulations is the local administrator, who by default, is the County Judge Executive.

John Singler stated that Pewee Valley may not have enough population to have its own local administrator, which would allow the City to regulate alcohol sales through appropriate ordinance.

John Singler will further research the issue and discussion will continue at the February 1<sup>st</sup> Council Meeting.
